If you need us we could be there. But I do need to catch up on all of paper work.

Thank you! Are the two of you coming to tomorrow's workshop? I know Randy is on vacation.

In 2005 we had 2 scrubber machines, a 5700 scrubber (walk behind) and a pressure washer.

In 2015, scrubber machine was down in April and a pressure washer was down in January.

**Subject:** Pressure washing numbers question

Hi Elmer,

Jackie gave me some cleaning numbers to include in our presentation to the board on Wednesday.  
One of them is pressure washing.

In 2005 we washed 35,812,632 linear ft

In 2015 we wash 22,252,318 linear ft

Why the discrepancy?

Is this when the boundaries of the district changed?

Is it from less pressure washing due to drought?

Is it from using different equipment?

Let me know.

Thanks!
